

Watering restrictions

residential irrigation

During daylight saving time

Irrigation is allowed two days a week from the second Sunday in March until the first Sunday in November. Designated days are:

- Wednesday and Saturday at homes with addresses that end in an odd number or have no address
- Thursday and Sunday at homes with addresses that end in an even number

During Eastern Standard Time

Irrigation is allowed one day a week from the first Sunday in November until the second Sunday in March. Designated days are:

- Saturday at homes with addresses that end in an odd number or have no address
- Sunday at homes with addresses that end in an even number

Additional restrictions

- Water only as needed and only before 10 a.m. or after 4 p.m.
- Water no more than one hour per zone.

St. Johns River Water Management District

Additional information

- Restrictions apply to water from private wells and pumps, ground or surface water and water from public or private utilities.

Exceptions

- Some exceptions apply, such as use of micro-irrigation or a hand-held hose with a spray nozzle, installation of new landscaping, watering in of chemicals and fertilizers, and use of reclaimed water. Check with your water supplier to see if restrictions are in place for reclaimed water in your area.

Nonresidential properties follow a different watering schedule.

For more information about the watering restrictions and exceptions, visit floridaswater.com/wateringrestrictions.
